MASTER TOOL CATALOGUE

TOLEDO - 60 YEARS OF EXCELLENCE

OUR HISTORY

Founded in Sydney Australia more than 60 years ago, Toledo has become an industry leading name in quality hand tools. Today, Toledo proudly delivers a range of more than 2,300 quality products to its customers worldwide.

OUR RANGE

The extensive range of Toledo tools services industries including automotive, industrial, rural, hardware and marine. This catalogue is divided into the following sections: General Workshop, Measuring & Precision, Cutting & Shaping, Electrical Service, Lubrication, Mechanical Service, Panel & Trim, Pulling & Extracting, Sloggers & Podgers and Merchandising & Planograms. Each section is colour coded for fast and easy reference.

OUR MISSION

Toledo is committed to excellence by design and value for money. Through continual research and an innovative approach to product development, Toledo continually strives to provide its customers with the most comprehensive range of quality hand tools at an affordable price.

OUR WARRANTY

All Toledo products are manufactured to the highest quality standards and are fully guaranteed against faulty materials and workmanship. For warranty appraisal, all goods must be returned to Tridon. The Toledo warranty does not cover normal wear and tear, or goods that have been abused, modified or improperly used.
