

Vehicle make and models are listed in alphabetical order with the corresponding year, cylinder, engine size and model.

The applications for each product are listed with the Tridon part number.

Tridon part numbers are colour coded for easy identification:

Blue	Oil Pressure Senders and Sensors
Green	Water Temperature Senders
Green	Coolant Temperature Sensors
Green	Thermo Fan Switches
Red	Stop Light Switches
Black	Reverse Light Switches

Reference should be made to the vehicle application prior to selection of the replacement part to ensure that the correct part is supplied for the vehicle.

Vehicle Application List

Make and Model		Year		Engine			Part Number						Notes
		Start	Finish	Cyl	Size	Model	Oil Pressure	Water Temp	Coolant Sensor	Fan Switch	Stop Light	Reverse Light
