FOR THE PERFECT SEAL EVERY TIME

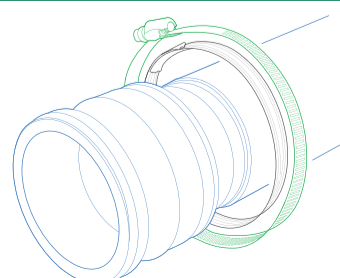

Transferring water and need a perfect seal every time?

Tridon now offers a clamp designed for lay flat hose. Developed and manufactured by Tridon Australia, the clamp features a unique pressure system designed to seal like no other clamp.

The clamp works by focusing the clamping force into two small channels, maximising the crush of the thin rubberised material to achieve the ultimate seal.

Available in all sizes required (2" – 4").

Fit them to your water system today for a perfect, dry connection.
